Finance Solutions Queensland is an independent finance broker. Our focus is on what the banks are no longer providing – service, knowledge and experience.

COMMERCIAL FINANCE

Tailored Finance Solutions for all Commercial Needs

At FSQLD, we have access to a large number of lenders that offer very competitive commercial loans. Often, the best and most accessible lenders are the ones without the big marketing budgets. We look to understand your scenario and then find the loan that best suits your needs. We all know how frustrating it can be to deal with a bank, or even knowing where to start, FSQLD's Commercial Finance makes things easy.

EQUIPMENT FINANCE

Finance Solutions for all Equipment Requirements

Do you want to keep buying equipment, but are concerned about what it could do to your cashflow? At FSQLD, we can look at your specific scenario and give you a range of options that alleviates cashflow related stress when it comes to buying equipment. With this option, through FSQLD, you can achieve more growth with less risk.

Get in contact with us today to find out more about how we can help your business grow with equipment finance.

TRADE FINANCE

Looking to import or export goods or equipment? Our Trade Finance solutions can assist in ensuring that your cashflow is always protected.

Import Finance

Do you purchase goods or services from overseas for onward sale? FSQLD can help you to get those goods on the water with a facility that gives you funding until your customers have paid you.

Export Working Capital Finance

Let's say you have the opportunity to sell your product overseas, or to work for a major Australian exporter, and the only thing holding you back is funding. FSQLD, through our lending partners, can fill that working capital gap – quickly.

DEBTOR FINANCE

Fast, Flexible Cashflow Solutions
for Business

Take control of your cashflow and give yourself the power to make the buying and hiring decisions you want to make - today, not tomorrow.

Why Debtor Finance?

- Would you like a simple facility that turns what you are owed into cash?
- Would you like to reduce your reliance on your current lender with stand-alone finance that can sit alongside other business borrowings?
- How about a finance facility that is designed specifically to grow with your business?
- Would you like to increase your buying and hiring power?
